<sup>1</sup> Revision July 22, 2018

**The 2018 Canadian National Pistol Championships were held again at the Lou Anderson Shooting Centre (the 2015 Pan Am legacy range). All events were shot on Megalink electronic scoring targets.**

**We had a 74 entries coming from 7 provinces across Canada. We had a record 5 athlete team from Nova Scotia, the largest contingent from NS since the 80's, or so I am told.**

**The weather, while still very warm, was not nearly as bad as it was during the Smallbore Rifle Nationals. With the limited air conditioning capabilities in the 10m range, I think all the Air Pistol shooters were thankful for the slightly cooler weather.**

**The new 10m Mixed Team event drew 9 two person teams from across Canada. Some were seasoned international competitors; others were juniors competing at their first Nationals. I think everyone had a great time shooting this new team format. Or, at least they now all know that this is a whole separate match, and is not the same as a team medal entry!**

**Also for the first time, men and women shot the same number of record shots in 10m Pistol. As you can see from the detailed results, one shooter would've easily placed in the top 5 even if she competed directly against the men.**

**We also had an excellent multi-province range crew, headed up by Bernie Harrison. We even had our good friend Ron Morales from the U.S. come up to assist in jury duties. We want to thank all our many volunteers and jury members. It's your long hours in the heat that make it possible for us to have successful National Championships year after year.**

**Finally, we must give a special thanks to our Chief Range Officer Richard Horne. He is always the first one on site, and the last one to leave. You probably saw Richard either busily working on the computer with his trusty assistant Dennis Pyle, or running all around the facility making sure everything is running like clockwork. What you probably didn't know is that weeks before the athletes arrived, Richard was already at the range working many days by himself or with Pat Vamplew to clean up the range, cut the grass, move targets, update, fix and test targets, and doing all the tedious and exhausting things that no one else knows about, but has to be done, in order to make sure the competitions run without a hitch. These two guys have been doing this for every major competition held at the Pan Am range since 2015!!**

**Thank you, Richard and Pat, for your ever present dedication and hard work.**
