

**SHOOTING FEDERATION OF CANADA
FEDERATION DE CANADA DU TIR
2018 NATIONAL MATCHES**

**LOU ANDERSON TRAINING CENTRE - COOKSTOWN,
ONTARIO
JUNE 30 - JULY 7, 2018**

The 2018 National Matches were held on the range built for the 2015 Pan-Am Games. All events were fired on the electronic targets except for the Hunting rifle, where paper was used. Most Hunting rifle competitors use scope sights and the electronic targets have no centre aiming point for cross-hairs. A fix is in the works, so maybe next year we can use the electronics.

The weather was very warm for the first 5-6 days with temperatures in the mid 30's and a humidex near or above 40. It cooled off on Friday and Saturday when we were indoors doing Air Rifle. For the first time we held an ISSF Mixed Air Rifle event as a demonstration. The interest was great, with 11 teams competing for the 5 finalist spots. This also was a test for both the Officials and the electronic systems. Next year we plan to offer this match as a full medal event. Also for the first time, following the new ISSF rules, women shot the same number of shots as the men in both the ISSF 3 Position and Air events.

Sporting rifle numbers were a disappointment with participation down, especially in the 3-Position match.

One note in regards to the match records. With the new shooting format; e.g. 180 shot prone event, we will have to confirm some of the records shown. Lou Anderson is working on these and I will discuss with him during the fall to make sure they are up to date.

We must thank all of the shooters who competed this year. Also we thank all of the officials and volunteers who took the time to make this match a success. Without their help, this match would not be possible.
